Welcome back everyone. The staff are all very excited about having all of the happy smiling faces back at school and we cannot wait to start the learning adventure that 2017 will be. We have lots of fantastic things planned and are really looking forward to helping our students to be the best that they can be. The school had introduced a new communication app to connect the school with parents and the outside community. Please see the instructions below.

Parent Teacher Interviews: 28/02/17 Notes will go home soon so please keep an eye out!

P & C News

The first meeting of the year will be Wednesday 1st February at 8.00am in the Resource centre. We will be making a lot of decisions about planning our fundraising activities and student events for the year. Please come along and help make decisions for the school.

Attendance is a major focus for us again this year. Each classroom will assist the students to track this and there will be reward activities for individuals who achieve 93% or higher attendance and classes with good attendance. More information will be coming out in future newsletters.

The **badge presentation** parade for the 2017 school captains and leaders will be on Monday 6th February at 8:50am. Parents are invited to come along and take photos while the new students give their oath and receive their badges.

Instrumental music notes went out today and need to be back by next Wednesday. We are unable to give an extension or chase these up. All fees must be paid by the end of term 1 to be able to continue the program.

School banking: Forms are available at the office for students to join this program. It is a great way for our students to see how they can save money each week.

Homework is an important activity where parents can support their child's learning. All Teachers will be sending home a class newsletter explaining what your students will be learning this term and homework expectations.

We are inviting parents of the school captains and leaders to a morning tea with their students and the Principal straight after the badge presentation parade.
