Congratulations to this week's Sight word awards recipients.

MOTHER'S DAY STALL

This year we will again be holding our annual Mother's day stall where the students can purchase a gift for their mother and we can raise money for resources for the lower school. Last year's stall proved a success and the kids got such a kick out of independently selecting and purchasing a gift for their mother. But we need your help!!! If you would like to see this fabulous stall make a difference to our wonderful school community please drop donations off to Mel in the office. If you have any questions or information about business owners in the community who might be interested in making donations, please see Brooke or Veronica or contact us via email. Suggestions for donations include soaps, diaries, tea towels, candles, diffusers, key chains, fridge magnets, coffee mugs, photo frames.

Please help make this stall a success.

Harper – this week's Bluecard draw winner!

→ We are a part of the LiveLife Community Support Program in FNQ. This means that in November we are in the running to receive either a \$250 or \$500 donation to support our amazing school. You can show your support by nominating Wonga Beach State School when you shop at LiveLife Pharmacy during the month of November.
