HELP SUPERCHARGE OUR P & C FUNDRAISING EFFORTS
We are privileged to advise that the world acclaimed Watoto Children’s Choir will be visiting Mossman on Tuesday 19th June and performing a free concert at Mossman State High School for all students and other schools in our region.

“Watoto Children’s Choirs have travelled extensively since 1994, sharing a message of hope for Africa’s orphans and widows. To date, the choir has toured six continents and performed to enthralled audiences in schools, retirement homes, churches, parliaments, state houses and royal palaces. Each child in the Watoto Children’s Choir has suffered the loss of one or both parents and now lives in a Watoto village. The experience of travelling in a choir helps the children to develop confidence and boldness, as well as broadening their worldview. Accompanied by a team of adults, the choir presents Watoto’s vision and mission by sharing personal stories, music and dance. Watoto is raising transformational leaders, who will impact positively every sphere of society, reforming Uganda and serving as a model for the rest of Africa. The Watoto Model is designed to provide vulnerable women and children in Africa with holistic care and to impact communities in the process. The model involves physical care, medical intervention including HIV/AIDS treatment, education - formal and vocational, counselling and emotional wellbeing as well as moral and spiritual discipleship. Currently Watoto has projects in Kampala and Gulu, Uganda; and Juba, South Sudan.” (taken from the Watoto website)
