**School improvement focus:**
Maths-Problem Solving, Writing-Vocabulary, Teacher capability development

Don’t forget on Tuesdays we have Playgroup from 9am to 11am. Come along with your young ones and meet some new friends.
If you might come if it was on a Thursday morning please call Mel so we can look into possibly changing the day.

**School Opinion Surveys:**
Please fill this in as we use the information to design our 2018 school improvement plan. If you do not have internet you are welcome to use the schools computers.

**More rubbish needed:** Come and see our amazing fish created and donated by Joanna Barstow and David White. Our beach clean up was very successful with Tangaroa Blue and we had lots of rubbish to fill up the fish but we need more – anything red, blue, green or yellow please! Preferably rubbish clean from the beach to continue our sustainability focus 😊

**Disco Thursday 10th August - :**
Meals can be picked up from 6pm and the disco will start at 6:30pm and finish at 8:15pm. This is a slight time change to get kids home a little earlier for bed.

On Wednesday 13th September we will be having an open classroom evening for parents/carers to come and look at their children’s work. While this is happening the students will be having a movie and the 2 older classes will be able to sleep over in the Library afterwards. More detailed information will be sent home in the coming weeks.

We are looking for donations of child size watering cans, spades, buckets etc for our community garden and if you know of anyone who can around 100 donate pavers, please let Danielle know so she can continue her great work!

**Reading Club Monday – Thursday mornings 8:15am-8:45am in the Library.**
Parents desperately needed to help so we can continue this great initiative.
