#whatever_it_takes

- Swimming for the 2 older classes will be in week 3. Permission notes went out yesterday. Please return them ASAP with the correct money. The cost of the bus will be covered by the REAP funding we receive to give our students access to opportunities that cost more due to our location.

- Our Newsletter will be going out on a Friday as of term 4 to allow us to include everything for a week plus the new tuckshop order forms.

- Parade was on Monday afternoon for the first time this week. Please come 15 minutes early so you can come to our parades at 2:45pm every Monday afternoon and cheer on our students receiving awards and running the parade.

- Attendance: Please call, leave a Remind message or send a note when your child is/will be absent as we are required to call every family of an absent child each day they are away.

- The P & C are running a walk to school as part of the Day for Daniel in week 3. We reminded the students about Stranger Danger on parade and will continue to mention this over the next few weeks. Please support this by speaking to your children at home as well about this topic.

- Today we have a boys and girls team participating in the next level of cricket competition after winning the Douglas one. Go Wonga!

- On Monday 22nd October is a student free day. The staff go to Mossman Primary school to moderate the term 3 English unit with all other schools in the Douglas cluster. This ensures all teachers are marking consistently and that an A in one school is the same as an A in any other school.

We have moved the bike racks to outside the office to ensure they have as much shade as possible.

It will be a gold coin donation which will go to the Daniel Morcombe Foundation. It is a community awareness walk and we hope to see as many students as possible there!

In relation to a recent school survey, we are looking at expressions of interest in regards to fridges in classrooms.

For those who are in support of fridges in classrooms, we are looking at the introduction of a subcommittee who will be involved in the overall fundraising and ongoing support of this project.

Dear parents/caregivers

Yay Book fair is coming around again this term 😊 and will be starting on Tuesday morning in week 5. As usual I will be giving out a colouring in competition for the kids to do in the classroom. But this time I will also be having a ‘make something alien from a paper plate’ competition. I will give out a paper plate to the children that want to compete…or 2 depending on what they want to make. This is something for them to make at home but please don’t make it for them, let the kids make it themselves to be fair to all of the other children.

Both the colouring in and the paper plate object need to be handed in by the end of week 3. I will remind them as the time goes along.

The rules of this contest are that the kids have to make it themselves and they need to use at least one paper plate and no more than 2. Some suggestions for things to make are:

- an alien mask
- an alien hat
- a flying saucer/spaceship...hence the 2 paper plates
- an alien planet
- an alien shield/weapon
- an alien animal, plant, cup, badge etc

The children can cut and glue the plate, use paint, textas, colouring pencils, glitter, stickers, streamers etc.

For more ideas google 25 easy alien craft ideas.

Remember kids you don’t have to enter if you don’t want to and as soon as it is finished you can hand it in to Miss Linda in the library. I will be using the finished products as decorations for the book fair. Good luck, happy designing and have lots of fun making it.
