Week 7 has flown by and it was another wonderful week at Wonga. I would like to say a HUGE thank you to our fabulous P&C for hosting our “Use your imagination” disco last week – the students were all raving about what a great time they had. Thanks to the staff that helped supervise, the volunteers in the canteen and to all the people who helped to pack up at the end of the night. A huge congratulations to our WBSS students who showed exemplary behaviour AS ALWAYS!

I received an email from the Cairns Aquarium last week, commending us on the behaviour and manners of the students that attended our excursion. This exceptional behaviour and way in which our students represent our school out in the community is one of the many things that I love about WBSS kids. Congratulations students!

Junior School Swimming begins on Monday at Pinnacle Village in the middle session. If you are able to help out with supervision please let us know – even an hour is a huge help. Mrs Teasdale and Mrs Arthurson have lots of fun things planned and I know you will all have a great time. All permission notes and money were due back on Tuesday – please immediately contact the school if you have not returned your money or forms.

The P&C Colour run forms are due back Friday – please hand in to the office mailbox. Let’s see how much money we can raise to put a new shade sail over the prep playground.

Have a great week!
