Our wonderful Cricket team in Brisbane who placed 4th in the State – Well Done!!!
The Wonga Beach T20 team played in the state finals of the Milo T20 Schools' Cup at Alan Border Field on the Ray Lindwall Oval in Brisbane on Wednesday the 16th of November. The boys were representing the Far Northern Division after they won the title in Cairns and were playing against all of the state’s regional and metropolitan winners for a chance to represent Queensland in the national final at the MCG in Melbourne.

The first match against Newfarm, the Metropolitan Brisbane wild card entry, proved to be a huge challenge for the previously undefeated Wonga Beach boys. This team had no weaknesses and were deadly with both the bat and ball. They sent Wonga Beach in and bowled flawlessly to restrict us to 96 runs. David Neller played the shot of the day when he swung so hard he hit a ball he had nicked to the boundary with his follow through. The big match nerves and lack of match practice was again evident when Wonga Beach took their turn to bowl. Some wayward bowling was belted out of the park but so were some of the good deliveries. A wild head high full toss from Jacob Spicer added some excitement when it hit the batsman in the head and went for runs. The match was lost 86 to 189.

The next match against St Patricks from Bundaberg was a much better match up and the boys bowled and fielded well to restrict St Pats to 156. We opened up the batting with two wickets off the first two balls before Ryan Gwynne hit the hat trick ball for 12. From then on a succession of boundaries followed and the match looked to be well in hand. David Neller and Daniel Twomey belted a series of straight sixes which are worth twelve runs each to put Wonga Beach on a comfortable position. The closing over was bowled brilliantly by the St Pat’s team and a succession of wickets put the game in doubt. Final Scores were 156 to 183 to Wonga Beach.

Game three was against Happy Valley State School from Mt Isa. This was the easiest win of the round robin section and left Wonga Beach with a 2-1 win loss record. The happy Valley team presented Liam Bevan with an engraved biro for his sportsmanship which was typical of the friendly spirit all the games were played in.

The finals saw all the teams playing for overall position and Wonga Beach met Sunshine Coast Grammar in a playoff for third and fourth position. Sunshine Coast featured a player who had previously scored 132 runs off 11 consecutive sixes through the double point zone so they were a formidable team. Again the depth and experience of the schools from the south east was evident and the Sunshine Coast team put on an impressive batting and bowling display to beat Wonga Beach by 100 runs. Jesse Frisina pulled off the catch of the tournament when he took a diving catch from a free hit with his body parallel to the ground. The landing left him winded but he bowled out the over. Daniel Twomey was again our outstanding bowler with his great line and length which made him hard to play all day.

The boys put in an excellent effort throughout the tournament and to come away ranked fourth in the state was outstanding considering our very small player base of only 45 students to choose from compared to the other schools with much larger enrolments.
