Behaviour/Social Focus:

Week 7: We look after our property and the property of others

Week 8: We speak kindly to and about others

School Safety: Please report any one on the school grounds after hours as we have been the victim of vandalism.

★Please keep any children who are not well at home.★

School photo day is on Thursday. Please send your child in a clean and neat school uniform. Don't forget to send your photo order back to school by Thursday. Sibling photo order forms are available at the office.

School does not open until 8am. Remind your child/ren not to come to school early.

Sports Day is on Wednesday 22nd June and parents, grandparents etc are welcome to come and cheer the children on. Our children compete with students from Alexandra Bay, Daintree and Julatten. Go Wonga!

Four of our older students participated in the FNQ Readers Cup yesterday and worked together as a team to answer questions about texts they had to read. They did an amazing job and showed real team work. Thank you to Mrs Reynolds for transporting them to and from Cairns and cheering them on.

In the last few weeks Staff from our school have gone to professional development to improve how we support student with Trauma, curriculum knowledge and working with students with a disability or learning need. This forms part of our school improvement agenda to improve student learning outcomes and wellbeing.

Over the holidays the junior and senior blocks will be painted internally as part of a government initiative.

This year we have had rusty areas replaced on our buildings, some new air conditioners and a new bell system is currently being installed. Our school is looking great!

NAIDOC WEEK

3-10 JULY 2022

Stronger, Ryhio Dank (Nordurno)

I created this piece after reading this year's NAIDOC theme. I knew straight away I wanted to do a graphic piece centred around our flags with text highlighting what we have been through and are still fighting for. I feel that this piece being black and white allows us to focus on the detail and messages in the artwork.

In this artwork I have little bits of me and my family. I have included a crocodile for my life group. She was one of the strongest women I know and was never afraid to speak her mind and stand up for family and Country. I have also included my family's dancing stick, it is present as a reminder that we will always have our Country, Kin and Culture. There are also symbols to represent us as a community. People gathered around a campfire and mothers to represent our strength, water, trees, animal tracks and mushrooms remind us where we come from to be better.
